Thank you for considering Sponsorship with the National Association of Wetland Managers (NAWM)

The mission of [NAWM](#) is to build capacity for state and tribal members and foster collaboration among the wetland community of practice by encouraging the application of sound science to wetland management and policy, promoting the protection and restoration of wetlands and related aquatic resources, and providing training and education for members and the general public.

Sponsorship helps NAWM respond to and stay on top of policy and practices vital to saving our nation's wetlands. Sponsorship is also a great way to increase your organization's visibility while supporting a good cause. Our e-newsletter, webinar, and annual meeting outreach spans over 20,000 wetland professionals in our network including state, tribal and federal policy experts.

Sponsorship Opportunities:

Wetland News – our membership newsletter is published every other month and is sent to over 1,000 NAWM Members, providing wetland updates and featured articles from a variety of wetland voices. The webinars are also recorded and placed in our on-demand online library, which provides additional exposure for your business.
